dozop®

Personal logistics, made easy

CATALOG

Lightweight solutions for heavyweight needs.

Dozop products make moving heavy or awkward packages a breeze. You can use them to transport multiple packages at once thanks to their high weight load up to 250 lbs /115 kg. Dozop products are compact and lightweight, they weight in avg 4.5 lbs / 2,5 kg making it convenient to take them with you anywhere. In addition, they take up barely any space in your home or office, so they are always ready to go when you need them. You can also keep our products in the trunk of your car to make shopping trips less difficult. Furthermore, Dozop products come with high-grade wheels that make it suitable for both indoors and outdoor use. Simply keep Dozop somewhere handy to help make your activities more convenient and routine.
